When local television news anchor Katherine Kyle is thrust into the national spotlight, it sets in motion a chain of events that will change her life forever. Jamison "Jay" Parker is an intensely career-driven *Time* magazine reporter; she has experienced love once, from afar, and given up on finding it again...That is, until circumstance and an assignment bring her into contact with her past.

Kate and Jay's lives intertwine, leading them on a journey to love and happiness, until fate and fame threaten to tear them apart. What is the price of fame? For Kate the cost just might be everything. For Jay, the price could be the other half of her soul.
